

RESUME

1. PERSONAL DETAILS

Full Name: Emil Israel

ID No.: 025073032

Date and Place of Birth: October 14, 1973. Ashkelon, Israel

Material Status: Married + 1

Tel: 052-3981249; 073-3784069

E-mail Address: emil.israel@technion.ac.il

Personal website: <https://architecture.technion.ac.il/members/emil-israel/>

ORCID iD: <https://orcid.org/0000-0002-6313-8248>

Google Scholar: <https://scholar.google.co.il/citations?user=buL8oHYAAAAJ&hl=iw>

2. ACADEMIC DEGREES

- 2013 Ph.D. in the Urban and Regional Planning Program, Faculty of Architecture and Town Planning, Technion – Israel Institute of Technology, Israel. Advisor: Professor Emeritus Amnon Frenkel.
- 2006 M.A. Geography with specialization in Urban and Regional Planning, Hebrew University of Jerusalem, Israel (with honours). Advisors: Professor Emeritus Ilan Salomon and Professor Eran Feitelson.
- 2001 B.A. Geography and Political Science, Hebrew University of Jerusalem, Israel (with honours).

3. ACADEMIC APPOINTMENTS

- 2026-present Associate Professor (tenured), Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel.
- 2018-2026 Assistant Professor, Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel.
- 2017-2018 Postdoctoral fellow, The Minerva Center for the Rule of Law under Extreme Conditions, the Faculty of Law and Department of Geography and Environmental Studies, University of Haifa, Haifa.
- 2017-2018 Adjunct Lecturer, Urban and Regional Planning Program, Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel.

- 2016-2017 Postdoc and Visiting Scholar in the Department of Urban Studies and Planning and in the Norman B. Leventhal Center for Advanced Urbanism, Massachusetts Institute of Technology (M.I.T.), Cambridge, MA.
- 2013-2014 Adjunct Lecturer, Urban and Regional Planning Program, Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel.
- 2009-2013 Research Associate, Center of Urban and Regional Studies, Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel.
- 2007-2013 Teaching Assistant, Urban and Regional Planning Program, Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel.
- 2003-2006 Teaching Assistant, Department of Geography, Hebrew University of Jerusalem.
- 2002-2005 Researcher and Research Assistant in the Department of Geography and The Institute of Urban and Regional Studies, Hebrew University of Jerusalem.

4. PROFESSIONAL EXPERIENCE

- 2014-2016 Researcher in the Samuel Neaman Institute for National Policy Research, Technion. Notable projects during the position:
- "It Takes Two to Tango? Spatial and Social Implications of Joint Civil-Military Development". PI: Dr. Reuven Gal. Funded by the Ministry of Science, Technology and Space.
 - Promoting R&D and Innovation in the Israeli Periphery. PI: Dr. Daphna Getz. Funded by the Israel National Council for Research and Development (MOLMOP) at the Ministry of Science, Technology and Space.
 - The Establishing of a Technion Academic Center in Ramat Negev – Feasibility and Regional Impacts. PI: Prof. Arnon Bentur. Funded by the Settlement Division at the World Zionist Organization. Senior Researcher.
 - Examining the Feasibility of Establishing a Metropolitan Area in Northern Israel. PI: Prof. Arnon Bentur.
- 2012-2013 Research Assistant in the Samuel Neaman Institute for National Policy Research, Technion-Israel Institute of Technology, Israel.
- 2007 Research Assistant in the Samuel Neaman Institute for National Policy Research, Technion-Israel Institute of Technology, Israel.
- 2006-2007 Researcher for the Karev Fund at the "Rehabilitation of Jerusalem" Project, PI: Prof. Gur Ofer.

- 2006 Research Assistant of Gideon Hashimshoni, Transportation Researcher: Updating the Policy Plan for the Transportation Development of the State of Israel.
- 2001-2002 Research Coordinator of the Brookdale Institute at the JDC Israel, Jerusalem.

5. RESEARCH INTERESTS

- A - Spatiality, Social Justice, Inequality and Poverty
- B - Suburbanization, Counter-Urbanization, and Social Distinction
- C - Migration and Mobility
- D – Regional Innovation and Creativity
- E – Strategic Urban and Regional Planning

6. TEACHING EXPERIENCE

- 2024- Present Studio 2: Neighborhood Detailed Planning. Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel. Teacher in-Charge\Main Teacher, Graduate compulsory studio course, 26 students.
- 2018-2024 Studio 4: Metropolitan and Regional Planning. Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel. Co-Teacher, Graduate compulsory studio course, 30-60 students.
- 2017-Present Urban and Regional Geography. Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel. Main Teacher. Undergraduate and Graduate, 30-50 students.
- Land-Use Planning – Principles and Quantifying. Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel. Main Teacher. Graduate compulsory course, 30-70 students.
- 2013-2014 Urban and Regional Geography. Undergraduate and Graduate, Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel, Adjacent Lecturer.
- 2007-2013 Urban and Regional Geography. Undergraduate and Graduate, Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel, Teaching Assistant of Prof. Amnon Frenkel.

2007-2013 Land-Use Planning – Principles and Quantifying. Graduate compulsory course, Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel, Graduate, Teaching Assistant of Prof. Amnon Frenkel.

7. TECHNION ACTIVITIES

N/A

8. DEPARTMENTAL ACTIVITIES

2026-Present Chairman of the Graduate Program in Urban and Regional Planning at the Faculty of Architecture and Town Planning, Technion - Israel Institute of Technology.

2026-Present Member of the Faculty of Architecture and Town Planning Board, Technion - Israel Institute of Technology.

2022 Member of the Jubilee Celebrations' Steering Committee for the Center for Urban and Regional Studies and Graduate Program in Urban and Regional Planning.

2019-2026 Present Responsible for Faculty Awards (Former Chairman of the Faculty Awards Committee), the Faculty of Architecture and Town Planning Board, Technion - Israel Institute of Technology.

2019-Present Member of research examination committees. PhD thesis final exam (4 students), PhD admission (13 students), PhD candidacy (8 students), MA thesis (1 student), and exploratory research thesis (3 students). Technion - Israel Institute of Technology, Haifa.

2018-2020 Observer at the Committee of the Faculty's Industrial Design Program, Faculty of Architecture and Town Planning, Technion - Israel Institute of Technology.

2018-Present Member of the Academic Committee of the Urban and Regional Planning Program, Faculty of Architecture and Town Planning, Technion - Israel Institute of Technology.

2019 Member of the admission committee (Urban and Regional Planning Program, Faculty of Architecture and Town Planning, Technion - Israel Institute of Technology).

2018 The contact person of the Faculty of Architecture and Town Planning, with the Technion Faculty Association.

9. PUBLIC PROFESSIONAL ACTIVITIES

Professional Committees

2018-2025 Member of the Regional Science Association - Israeli Section of the European Regional Science Association. *Between 2022-2026: Secretary and Treasurer of the Association. Between 2026-present: Member of the Board of Directors.*

Editorial

2024-2025 Guest Editor of a Special Issue in "Land" with Prof. Amnon Frenkel. (*In preparation*)

Occasional Reviewer for Scientific Journals (Various years):

Journal of Housing and the Built Environment (2026), Humanities and Social Sciences Communications (2026), Population, Space and Place (2025), Remote Sensing (2024), Growth and Change (2023, 2024), International Journal of Urban and Regional Research (2023), Journal of Consumer Culture (2022), City, Culture and Society (2022), International Journal of Environmental Research and Public Health (2022), Urban Planning (2022), Comparative Migration Studies (2021, 2022, 2023), Sustainability (2021, 2022), Progress in Human Geography (2021, 2022), Cambridge Journal of Regions, Economy and Society (2019, 2020), Cities (2018, 2024, 2025), Urban Studies (2018)

Special Professional Activities

2026 Member of the ISF (Israeli Science Foundation) review panel for research grants.

2026 Review of 2 research proposals for the Israeli Science Foundation, ISF (part of the foundation's Personal Research Grants program).

2019-Present Member of research examination committees. PhD thesis examiner (Guilford Glazer Faculty of Business & Management Department of Public Policy and Management. Ben Gurion University), 2 PhD thesis proposals (Department of Geography and Environment. Bar Ilan University).

2023 Review of a research proposal for Israel's Ministry of Innovation, Science and Technology (part of the ministry's call for proposals for applied research based on data of government bodies).

2021 Member of the review committee for Aba Elhanani Award for Excellence in Israeli Architecture - Aba Elhanani Foundation for Israeli identity in architecture. Technion-IIT.

- 2020 Member of the review committee for scholarship applications at The Israeli Smart Transportation Research Center, Technion-IIT.
- 2019 Review of a research proposal for the Israeli Science Foundation, ISF (part of the foundation's Personal Research Grants program).
- 2004 A professional opinion as part of a petition to the Supreme Court of Israel. PI: Prof. Arie Shachar. "Influence of Residence and Employment Suburbanization Trends on Cities and Regions." A project being conducted at the Institute of Urban and Regional Studies, Hebrew University of Jerusalem.

10. MEMBERSHIP IN PROFESSIONAL SOCIETIES

- 2018-Present The Israeli Geographical Association (IGA).
- 2018-Present The Israeli Regional Science Association.
- 2018-Present The European Regional Science Association (ERSA).
- 2018-Present Israel Planners Association. Registered in the Planners' Register.
- 2025-Present The Israel Sociological Society (ISS).

11. FELLOWSHIPS, AWARDS AND HONORS

- 2026 Certificate of Appreciation, Awarded by The Social Hub (Social Incubator), Technion – Israel Institute of Technology, for Leadership of the Social Entrepreneurship Practicum Course and Outstanding Contribution to Community Engagement and Social Impact.
- 2025 Technion Award for Distinction in Teaching (Top 12%)
- 2016 The MIT-Technion Postdoc Fellowship Program 2016-2017.
- 2014 The Gerhard and Gertrud Karplus Award for Excellency, For Outstanding PhD Dissertation, in the Faculty of Architecture and Town Planning, Technion-Israel Institute of Technology, Israel.
- 2014 Excellence Award at the Outstanding PhD Thesis Competition of the Israel Planners Association.
- 2011 The Professor Stan Czamanski Prize for an Outstanding Paper in Regional Science Written by a Young Scholar. Awarded by the Regional Science Association International, the Israeli Section.

2010	Association of European Schools of Planning (AESOP) Young Academics Organization - Full Participation Scholarship for the AESOP PhD Workshop 2010 held on Seili Island, Finland.
2005	Sapir Award for Thesis Papers dealing with the research of Local Government in Israel, the Pais Institute, Israel, 15,000 NIS, Emil Israel.
2005	Thesis Excellence Award 2005, awarded by the Israeli Association of Transportation Research (EILAT).
2005	Commendation at the Papers Competition in Memory of Meira Gloskinus, Israel Planners Association.
2004	Shaine Center for Research in Social Science Scholarship, Hebrew University of Jerusalem.
2003	Rector's Outstanding Student Award from among Students who won the Rector's Scholarship for Master's Students, Hebrew University of Jerusalem.
2003	Inter-University List of National Excellent Students, named by the Knesset's Education and Culture Committee and the Committee of Heads of Universities.
2003	Excellent Student Prize, the Institute of Urban and Regional Studies, Hebrew University of Jerusalem.
2002-2003	Rector's Scholarship for Master's Degree Students, 64,000 NIS, Hebrew University of Jerusalem.
2001	Herzl HaLevi Prize, Department of Geography, Hebrew University of Jerusalem.
1998-2000	Dean's Prize for Excellent Students, Social Science Faculty, Hebrew University of Jerusalem.

12. GRADUATE STUDENTS

Completed PhD Theses

1. **Tia Renata Levi**, Year of graduation: 2025. Ordering Change: The Dynamics of Energy Transition and Capitalist Power. Principle Supervisor: Dr. Emil Israel.
The dissertation received the Ilana Libman Award for Outstanding PhD Dissertation from the Faculty of Architecture and Town Planning at the Technion-Israel Institute of Technology, Israel, in 2026.

PhD Theses in Progress

1. **Reem Bitar-Daud**, Starting year 2019. Where Does One Find Happiness? The Influence of Built Environments on the Human Happiness – Pre-candidacy exam. Principle Supervisor: Assoc. Prof. Emil Israel. **On sick leave due to personal circumstances.**
3. **Marina Lubanov**, Starting year 2023. Are Healthy Lifestyle Practices Simply a Matter of Individual Choice? Dynamics of Spatial Differences in Adopting a Health-Promoting Lifestyle. Principle Supervisor: Assoc. Prof. Emil Israel. Expected year of graduation 2027.

MSc Completed Theses

1. **Yaara Spiegel (formerly Levy)**, Year of graduation: 2022. The Meaning of Home, Willingness to Share, and Geo-Cultural Differences: The Case of Sharing in Israeli Tourism. Principal Supervisor: Dr. Emil Israel.
2019 winner of the scholarship in memory of Zvulun Hammer, awarded to college graduates.
2. **Nadav Rozenzwaige**, Year of graduation: 2023. The Urban Space and the Precariat: Labor and Land Uses in the Neoliberal City. Principle Supervisor: Dr. Emil Israel.
The thesis won the Israel Planners Association's annual competition for outstanding thesis research for a master's degree in 2023.
3. **Sharon Even**, Year of graduation: 2025. Rail Systems and the Decentralization of Housing in Exurban Regions of a Metropolis. Principle Supervisor: Dr. Emil Israel.
4. **Tiltan Katzir**, Year of graduation: 2026. Perceived Effectiveness and Spatial Policy: Perspectives of SDIOs on Their Impact on Development. Principle Supervisor: Assoc. Prof. Emil Israel.

MSc Theses in Progress

1. **Noa Hagai**, starting year 2023. The social tensions of intra-class divisions within homogenic communities and their impact on processes of social distinction. Principle Supervisor: Assoc. Prof. Emil Israel. Expected year of graduation 2025.
 - *Recipient of the 2024 Yitzhak Tabenkin Scholarship, conferred by the Yad Tabenkin-The Kibbutz Research Institute.*
 - *Recipient of the 2026 Arthur Schragenheim Award for Outstanding Lecture at the Emerging Researchers Conference, conducted at the Faculty of Architecture and Town Planning at the Technion-Israel Institute of Technology.*
2. **Yael Munk**, starting year 2025. Arts Justice in Space: Between Core and Periphery. The Case Study of Israel. Principle Supervisor: Assoc. Prof. Emil Israel. Expected year of graduation 2028.

13. SPONSORED LONG-TERM VISITORS AND POSTDOCTORAL ASSOCIATES

1. **Tal Feder**, Dec. 2021-present. University of Haifa (Department of Sociology and Anthropology) and Humboldt University (European Ph.D. program in Socio-Economic and Statistical Studies). General area of research: 'Cultural equality and cultural justice from a spatial perspective.' Visiting the Technion after completing a postdoc at Indiana University (sponsored by the Israel Science Foundation ISF, Postdoctoral Fellowship in Social Sciences). Received the Technion's Zeff Postdoctoral Fellowship.
2. **Fabian Wenner**, PhD. Oct. 2023. TUM School of Engineering and Design, Technical University of Munich (TUM), Germany. Visiting Researcher of the Euro-Tech Visiting Researcher Programme. Dr. Wenner arrived on October 5, 2023, just two days before the start of the war, and was compelled to depart.

14. RESEARCH GRANTS

Competitive

- | | |
|--------------|---|
| 2023 | ISF (Israel Science Foundation). 876,000NIS (~\$US237,000). "Cultural Justice and Core-Periphery Disparities: A Normative Turn in the Geography Research of Culture and Art." PI: Emil Israel. |
| 2024-Present | EIT Urban Mobility (EU funded research project). ~ \$ 8,000 for the Israeli team at the faculty of Architecture and Town Planning, Technion. "Doctoral Training Network (DTN) as a Platform for Exchange and Feedback on their Personal Research through Creating a Network of Researchers and Promoting Learning through Student Exchange Funding." PI: Emil Israel, (with Prof. Amnon Frenkel, Responsible PI). |

- 2021 EIT Urban Mobility (EU funded research project). € 91,377 for the Israeli team at the faculty of Architecture and Town Planning, Technion (the total € 144,146). "TIE.2.0 –Mapping the City's Transportation Innovation Ecosystem." PI: Emil Israel, (with Prof. Amnon Frenkel) **Canceled as a result of the funding organization's procedural changes, which rendered the project unworkable.**
- 2020(-2021) EIT Urban Mobility (EU funded research project). € 92,000 for the Israeli team at the faculty of Architecture and Town Planning, Technion (the total € 267,400). "TIE –Mapping the City's Transportation Innovation Ecosystem." PI: Emil Israel, with Prof. Amnon Frenkel. The project, led by the Israeli team, was conducted in collaboration with researchers from TUM, BME, and CVUT.
- 2014-2016 EU-funded research project under the Seventh Framework Programme. €172,400 for the Israeli team at Samuel Neaman Institute for National Policy Research, Technion (total of 7.1 million Euro). "RISIS –Research Infrastructure for Research and Innovation Policy Studies." As a researcher at the SNI, I joined the program. I led Work Package No. 9. The Package's main objective dealt with harmonizing and integrating RISIS datasets centered on geographical dimensions.

Industrial and other sources

- 2018-2020 Minerva Center for the Rule of Law under Extreme Conditions. The Faculty of Law and Department of Geography and Environmental Studies, University of Haifa, Haifa. Under the Seventh Framework Programme. 25,000 NIS (~ \$ 6,800). "Tools and Mechanisms for Public Engagement in Local Authorities with regard to Earthquake Preparedness, Response and Recovery?" Investigator.
- 2014-2016 Ministry of Science and Technology (MOST). 275,000 NIS. "Promoting R&D and Innovation in the Israeli Periphery." Investigator (PI: Daphne Getz). The project was carried out at the Samuel Neaman Institute for National Policy Research at the Technion.
- 2015-2017 Ministry of Science and Technology (MOST). 295,000 NIS. "It Takes Two to Tango? Spatial and Social Implications of Joint Civil-Military Development." Investigator (PI: Reuven Gal). The project was carried out at the Samuel Neaman Institute for National Policy Research at the Technion.
